**2.7.1 Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design its own questionnaire) (results and details need to be provided as a web link)**

The Institution collected feedback from the students regarding their suggestions regarding teaching learning process, infrastructure, placement and other parameters. This year due to lockdown because of Covid 19 pandemic, online teaching was carried out since March 2020. The survey was conducted with the help of Google form, which was designed as per guidelines and the link was circulated among students Their responses regarding the same were analyzed by the committee and are as listed below. The necessary actions were taken.

Some suggestions for improvement given by students

1. The library hours need to be increased. E-library and library automation to be strengthened
2. Canteen facilities on the campus needed to be improved
3. More Classes for Communication, Soft skills, Employability skills
4. More events and Industrial visits
5. More internships opportunities.
